

FOR IMMEDIATE RELEASE

Dresser Wayne Signs Distributor Agreement with Source North America for the Northeast Texas Region

Austin, TX (January 7, 2009) – Dresser Wayne, a global innovator of retail fuel dispensers and technologies, has expanded its distributor agreement with Source North America Corporation, one of the largest distributors of equipment for convenience stores and fueling stations in the United States. The company, which already provides Dresser Wayne products in other areas of the country, is now a Dresser Wayne distributor in the Northeast Texas region.

“This agreement is a natural fit for both of our organizations,” says Dan Gleeson, director of U.S. Distributor Sales for Dresser Wayne. “Source North America is well-respected in the industry as a full-stock distributor. Customers can count on them to quickly provide the equipment they need to help maximize operational efficiency. Similarly Dresser Wayne delivers exceptional quality products and services that help retailers enhance profitability. It’s a good combination.”

“We are proud to be a Dresser Wayne distributor,” Mark Hodges, Midwest Region sales manager for Source North America explains. “Now we can offer Dresser Wayne products to more of our customers in more of our territories.”

It has manufacturing and customer service facilities located

strategically worldwide and a sales presence in more than 100 countries. The company's website can be accessed at www.dresser.com.

About Dresser Wayne

Dresser Wayne, headquartered in Austin, Texas, is one of the largest business units of Dresser, Inc., and is an industry pioneer for the retail fueling industry. Among its innovations, Dresser Wayne was the first to introduce self-service consoles and fuel blending dispensers to service stations, in-pump card readers and cash acceptors, in-pump radio frequency identification payment systems and dispenser-mounted touch screen payment/communication systems. In addition, Dresser Wayne designs and markets software systems that enable its retail fueling customers to manage the convenience store aspects of their businesses more efficiently, including inventory control, price book management, labor management and site administration. The Dresser Wayne website is www.dresserwayne.com.
